The Community Engagement Program in the Community Room continues to host several activities for community members. We now have Gardening Classes, Cookie + Create Art Classes, Senior Activities, and much more! The community is really enjoying this new space to grow and fellowship in South Charleston.

You may register for classes in the front lobby of Heart+Hand at 212 D Street in South Charleston or for more information please contact Jenny at 304-989-7609 or visit www.hhomwv.org to learn more.

We are pleased to announce that the Heart+Soil Seed Library opened in late March at Café Appalachia. This program spearheaded by long-term Heart + Hand Volunteer and Master Gardner, Caryle Snyder, provides seeds to the community. A seed library is a collection of seeds that you may borrow to plant and grow food, herbs, and flowers at home. After your plants mature and “go to seed,” you save the seeds and return them to the library so they can be shared with others. The Seed Library is open daily at Café Appalachia.

After eight years of tireless work to further Heart + Hand’s mission in the community, Vicki Ballengee has announced that she will be departing from her role as Executive director this Spring. During her tenure Vicki has been the driving force behind the growth and success of our programs to serve the community. Her vision and leadership will be greatly missed.

We wish to welcome our new Executive Director, Eddie Bucklen! Eddie has been a member of our community for many years and we are so excited to work with him. He has the dedication, experience, and perseverance necessary to join our amazing team. Welcome, Eddie!
